> New Sign Application No.: 7733 East side of US 75 Okmulgee County

Dear Mr. Gazalski:

As discussed in a phone conversation with a representative from your office and ours, the enclosed documents have been processed and the above referenced application has been rejected for the following reason:

No written land use consent for proposed site. According to Okmulgee County records, the property where you have submitted the application for sign registration is owned by Ray Factory and not by you.

We are returning your application and other pertinent documentation.

If you are able to obtain a land use consent/lease between you and Mr. Factory or provide evidence that you own this property then please resubmit these documents to this office for processing. If you have any questions or would like more information you can call our office at (405)521-3005.

Respectfully,
