*Application for Sign Registration*  
West side of US-69, Atoka County  
Property Owner: Colby McDonald

Dear Mr. Faulkner:

The enclosed documents have been processed and the above-referenced application has been rejected due to the proposed sign location being in an area that is unzoned and not within 600' of a conforming business. During our field inspection, of the proposed site, the business listed on the Application for Sign Registration "Man Power" was non-existent. No other commercial business was visible or recognizable from view of US-69. Currently, we do not feel confident that there is a sufficient business to meet Highway Beautification qualifications for conformance.

We are returning the application and other pertinent documentation.

If you have any questions or feel that these findings are incorrect, please contact this office at (405)521-3005.

I am sorry that we cannot issue a Permit in this instance but look forward to working with you on future endeavors.

Respectfully,

*Barbara Hoppes*
