Dear Ms. Durrett:

On June 12, 2019, a notice was sent to you advising the above-referenced advertising sign was determined to be illegal pursuant to the Oklahoma Outdoor Advertising Control and Federal Highway Beautification Acts. (A copy of the letter has been enclosed for your review.) The notice informed you the sign had been determined to be in discontinued status, and would need to be repaired or removed within a one year period.

As of today's date we have not received photographic evidence that the sign has been refurbished and displaying advertisement. This letter is to merely serve as a courtesy reminder of the impending deadline which was June 10<sup>th</sup> has been extended 30 days due to Covid-19, this will make the new due date July 10, 2020.

Please keep in mind that if no action is taken to rectify the illegal status of the sign and it still remains in place at the end of the prescribed deadline, the file will be forwarded to our Legal Division to pursue legal action for which you will be assessed all costs.

Thank you for your time and consideration on this matter. Please contact our office if we can be of assistance. (405)521-3005

Sincerely,

Barbara Hoppes
