Mr. Gandhi,

In our telephone conversation today we discussed the options for the Tahlequah Motor Lodge sign located on the east side of US-62 in Tahlequah. I informed you that \$20 permit renewal fee was not paid in the month of March making the sign illegal, and you let me know that the motor lodge no longer exists.

We discussed options: 1) Pay the \$20 renewal fee and utilize the sign for other advertisement, providing that the agreement with Mr. Stu Wheeler (property owner) was still valid. Or 2) Remove the sign within 60 days (August 29<sup>th</sup>, 2021) of this email notification.

I understand that you intend to discuss this with your partner and get back with us regarding your decision. Please let us know your intentions prior to August 29<sup>th</sup> or the file will be forwarded to our Legal Division.

I have attached a photo of the sign in question and apologize for sending such an old one, I was assigned a new computer recently and do not have access to our current uploaded photos.

Let us know if you have any questions.
