*****90 Day Un-built Permit Cancellation*****

Sign File No.: 2692-04

Registration No.: 13959

South side of US-70, Marshall County

Dear Sign Owner:

This letter is to notify you that a request to cancel Reg-13959 was submitted to our office with a permit application for the adjacent property due to the location never being built. The second permit renewal for this location expired June 30th, 2012. The file does not contain any supporting documentation or photos that a sign was ever constructed at this location. Therefore, the sign permit for this location has been cancelled in accordance with Title 69 O.S. 2021 § 1277 C.

You will be given ninety (90) days from the date of this letter to provide evidence that an advertising structure was built at the staked location provided with the application. A copy of the staked location photo, as well as a current photo of the site have been attached for your review. Also attached is a copy of the application and documentation showing the second renewal date for reference.

If you have any questions or would like to discuss this matter, please give our office a call.
