Yes Jerry, we can classify this sign as OEXP since it was a church sign in place at that site at the time of the FAST Act.

Barbara,
2818-12 was in place before 2014 as a 2x4' EXPT sign. Looks like in the last couple of years the sign was redone and now is about 4x8' (sometime after April 2018). Since there has been a church sign there before the fast act will it be alright to change it to OEXP? It is next to a OEXP.
