Re: Elite Media Group, LLC Billboard-Digital/LED Upgrade; ODOT Registry Number 14306/Sign File Number 2939-02-1605 S Park Drive (US Hwy. 259) Broken Bow McCurtain County.

Dear Ms. Perkins:

Elite Media Group, LLC would like to upgrade an existing permit to a digital/LED permit. The billboard is located on 1605 S Park Drive (US Hwy. 259) Broken Bow, McCurtain County. It is permitted under registration number 14306/sign file number 2939-02. Our records indicate it is a CLSA permit which would allow for the upgrade.

We ask that you approve our request so that we may convert our billboard to have digital/LED faces.

Sincerely,

Joe Thomas
