Dear Mr. Parsons:

Recently while in the area it was noticed that the above-referenced Grandfathered sign structure has been damaged, the frame is lying on the ground. Possibly the sign sustained storm damage. The sign is located on the west side of I-35, approximately 7.9 miles south of SH-51. We have enclosed a photo and a copy of the application for your review.

We assume that you would want to be made aware of your sign not being up to your normal standards of quality. If you have any questions, please do not hesitate to call our office at (405)521-3005.

Respectfully,

*Barbara Hoppes*
