Sign Permit Cancelled
(Previously Reg. No. 9540)
I-40, Wacha County*

Dear Sign Owner:

On February 20, 2020, a notice was sent to you advising the above-referenced sign had been deemed as a discontinued advertising structure. (A copy of this notice is enclosed.) This notification detailed the discontinued review process, which allows a one-year period for the sign to be put back into use. The one-year review period began on the date of discovery which was February 20, 2020, and expired February 20, 2021. Considering the fact our office has never received any photographic evidence from you to substantiate proper use of the sign since first discovered in a discontinued state, and that the sign has been in discontinued review for over 4 years, we have cancelled all permitted rights to the sign.

The Statutes and Regulations regarding control of outdoor advertising are found in Title 69 O.S. 2021 1271-1288, as amended, and Title 730:35-5 of the Oklahoma Administrative Code. If you would like a copy of these rules and regulations and any requisite application forms, please contact this office and a packet will be mailed to you.

At this time, no other action is needed. If you would like to bring the sign back into compliance, a new permit application will need to be submitted to our office.

If you disagree with any of the findings mentioned in this letter or would like additional information, please contact the Outdoor Advertising Control office at (405)521-3005.

Respectfully,

Thomas Davis
