Re: REMINDER NOTICE OF ILLEGAL SIGN
Sign File No.: 5852-03
US-183, Dewey County

Dear Mr. Hall:

On January 30th a notice was sent to you advising the above-referenced advertising sign was determined to be illegal pursuant to the Oklahoma Outdoor Advertising Control and Federal Highway Beautification Acts. (A copy of the letter has been enclosed for your review.) The notice informed you the sign had been deemed illegal due to not being registered with the State of Oklahoma, and would need to be registered or removed within ninety (90) days of receipt of the notice. The notification also included a "Response Sheet" for you to complete if you disagreed with the illegal determination.

As of today's date we have not received a permit application with which to register the sign nor any other written response from you. This letter is to merely serve as a courtesy reminder of the impending deadline which initially was set for May 31, 2020, however, deadlines have been extended due to Covid-19, the new deadline for either sign removal or registration is **July 15, 2020**. It appears that this sign can be registered, contact Thomas Davis, who is the inspector for your area, to discuss. (405) 521-3005 or email at ttdavis@odot.org.

Please keep in mind that if no action is taken to rectify the illegal status of the sign and it still remains in place at the end of the prescribed deadline, the file will be forwarded to our Legal Division to pursue legal action for which you will be assessed all costs.

Thank you for your time and consideration on this matter.

Sincerely,

Barbara Hoppes
Transportation Manager
Outdoor Advertising Control Branch
