John,

FI - We are going to hold off sending illegal letters to the property owner until Thomas has a change to get current photos of the signs.

Barbara

I have attempted to contact Elgie Davis 10 times since September. She has not returned a call or will not answer my call. At one time she had a recorder but it no longer works. She inherited the property from her grandfather Worth Jeffus. I am apprehensive about trespassing to update the signs. With permission I am willing to do so.

Hello John – I am reviewing my sent emails and do not see that you responded to me regarding the 3 signs in Texas County (11036, 37 & 38). Have you made any progress regarding them: securing advertisement or changing the status to exempt “Freedom of Speech”? We would prefer to not pursue them as illegal. Let us know the latest.

Thank you,

Hello John, I hope your new year is off to a great start!

You and I spoke several months ago about the 3 signs on US-54 in Texas County that have deemed “discontinued”. Rather than the time and expense of removing the signs, while you are unable to secure advertisers, you were going to turn them into exempt “freedom of speech” signs. Have you done that yet? (Texas is a long drive for Thomas to make just to confirm)

I hope you are staying well during this crazy time! Let us know if we be of any assistance.
