Dear Mr. & Mrs. Roach:

We received your affidavit stating that you do not have a valid lease with Meramec Caverns. However, in reading the letter and check submitted in response to the No Lease Affidavit, it appears that Meramec Caverns feels that they do have a valid lease. As you can see from the enclosed copy of a letter from Mr. Lester Turilli, Jr., as well as copies of the check that our office received from Mr. Turilli, he challenges the affidavit you sent this office.

Therefore, at this time, we feel that this matter has become a dispute between yourself and Meramec Cavern's ODOT will not be renewing any permits or accepting any new applications until the matter has been resolved between the parties or in a court of competent jurisdiction. We have enclosed an excerpt from the Oklahoma Administrative Code that substantiates this decision.

I am sorry that we could not assist you at this time, however, if you have any questions, please feel free to contact this office at (405)521-3005.

Respectfully,

Thomas Davis
Transportation Supervisor
