Re: NOTICE OF ILLEGAL SIGN

Sign File Number: 30288-01

I-40 Okfuskee Co.

Dear Sign & Property Owners:

This is to notify you that during a recent statewide field inventory the above-referenced advertising structure was determined to be illegal pursuant to the Federal Highway Beautification Act and the Oklahoma Outdoor Advertising Control Act. The sign is located on the south side of I-40 approximately 2.4 miles west of US-75. A photo of the sign has been enclosed for your review.

This sign has been determined to be illegal due to not being registered with the Department of Transportation. (Registration requires a permit application process to be completed.) The Statutes and Regulations regarding control of outdoor advertising are found in Title 69 O.S. 2011 1271-1288, as amended, and Title 730:35-5 of the Oklahoma Administrative Code. If you would like a copy of these rules and regulations or any requisite application forms, please contact this office and a packet can be mailed to you or you can visit our website at www.ok.gov/odot - doing business - Outdoor Advertising Signs.

At this time we respectfully request that the structure be brought into compliance by a responsible party by obtaining a Class "A" permit, if regulations can be met, or removing it within 90 days of receiving this notice. Please be advised that failure to take appropriate action shall result in legal action being taken for which you shall be assessed both the legal fees and the cost of removal if the State is required to remove the signs.

If you disagree with any of the findings mentioned in this letter please complete the enclosed Response Sheet advising of your reason(s) and return the completed form to this office. If you have any questions or would like additional information, please contact the Outdoor Advertising Control office at (405)521-3005.

Respectfully,

Thomas Davis
