Dear Mr. Waffle:

In review of our records for sign registration no. 14824, it was discovered that an incorrect permit classification was on the original Permit document when issued. Enclosed is an amended Permit with the Class "C" Permit classification description. Please replace the previous document that was sent to you.

I apologize for any confusion this error may have caused. If you have any questions concerning this matter, please call our office at (405) 521-3005.

Respectfully,

A handwritten signature in blue ink that reads "Barbara Hoppes".
