Re: NOTICE OF ILLEGAL SIGN
Registration No.: 15137
West side of US-77, Kay County

Dear Mr. Ogden:

This is to inform you that sign registration number 15137 has been determined to be illegal due to not having an accurate lease on file for the property of the approved adjusted sign site. A recent inspection of the sign site indicated that the approved adjusted sign location, 170' north of the original staked location, will not be located on the property owner (David Mauk) that you provided a lease for along with the other required documents for sign registration. As we discussed, a sign site cannot be approved on the Mauk property because it cannot meet the required spacing distance of 300 feet from registered sign 14540 which is located on the east side of US-77.

The Statutes and Regulations regarding control of outdoor advertising are found in Title 69 O.S. 2011 1271-1288, as amended, and Title 730:35-5 of the Oklahoma Administrative Code.

A map of the agreed adjusted location has been enclosed for your review.

At this time, we respectfully request that you bring the registered sign site into compliance by submitting a signed lease, with the property of record for the adjusted sign site, to our office within 90 days of receiving this notice.

If you have any questions or would like additional information, please contact the Outdoor Advertising Control office at (405)521-3005.

Respectfully,

A handwritten signature in blue ink that reads "Barbara Hoppes".
