Dear Sign Owner:

In 2021, State Highway 152 in Canadian County where the above-referenced sign is located, was officially accepted by the Federal Highway Administration as part of the National Highway System (NHS.) As you may or may not be aware, all outdoor advertising signs adjacent or advertising to routes of highways that are part of the NHS, are required to be registered with the Department of Transportation. May 17<sup>th</sup>, 2022, an inventory of signs was taken along the subject route. Signs that were in existence were photographed and documented. A current photo of the sign structure has been enclosed for your review.

Currently, we are notifying the owners of these signs to register them with the Department of Transportation, and we have enclosed the proper application form necessary. However, our office has determined that the subject sign was in place prior to the FAST Act "Fixing America's Surface Transportation Act". Therefore, the sign is considered exempt and does not require a permit from this office.

If you are the owner of this sign, please complete the enclosed application form so that our office can maintain a record of ownership.

If you have any questions or would like additional information, please give us a call at (405)521-3005.

Respectfully,

Barbara Hoppes
