Dear Sign Owner:

Last year SH-152 in Canadian County, where the above-referenced sign is located, was officially accepted by the Federal Highway Administration as part of the National Highway System (NHS.) As you may or may not be aware, all outdoor advertising signs adjacent or advertising to routes of highways that are part of the NHS, are required to be registered with the Department of Transportation. On May 17<sup>th</sup>, an inventory of signs was taken along the subject route. Signs that were in existence were photographed and documented. A current photo of the sign structure has been enclosed for your review.

Currently, we are notifying the owners of these signs to register them with the Department of Transportation, and we have enclosed the proper application form necessary. Our office has determined that the sign cannot be registered as a Class "A" type sign due to being located on property zoned residential, therefore grandfathered status will be assigned. (See excerpt enclosed)

If you are the owner of this sign, please complete one of the enclosed application forms, and submit it along with required items to this office within ninety (90) days of receiving this letter. If you are not the owner of this sign, then please contact our office as soon as possible.

If you have any questions or would like additional information, please give us a call at (405)521-3005.

Respectfully,

Barbara Hoppes
