*NEW NHS HIGHWAY SECOND NOTIFICATION*

*I-40B, Custer County*

*Sign File No.:54047-06*

*Advertisement "New Hope Fellowship"*

Dear Ms. Hall:

We are sending you this reminder notification of the need to complete an Application for Sign Registration and Permit (see enclosed) for the sign structure referenced above. This sign will be grandfathered into our records due to it being in place prior to the route of highway becoming part of the National Highway System. The registration is to provide ownership information in the event of an unfortunate occurrence, such as storm damage and parts of the sign structure land on highway right-of-way causing a hazard to the travelling public.

We have partially completed the application, please complete Part 1, 3 and then sign and notarize the application, and return to our office at your earliest convenience.

If you have any questions or would like additional information, do not hesitate to give us a call at (405)521-3005.

Respectfully,

Barbara Hoppes  
Transportation Manager
