Dear Sign Owner:

Recently our office was informed that I-40B in Custer County where the above-referenced sign is located, was officially accepted by the Federal Highway Administration as part of the National Highway System (NHS.) As you may or may not be aware, all outdoor advertising signs adjacent or advertising to routes of highways that are part of the NHS, are required to be registered with the Department of Transportation. An inventory of signs was taken along the subject route. Signs that were in existence were photographed and documented. A current photo of the sign structure has been enclosed for your review.

Currently, we are notifying the sign owners of the registration process with the Department of Transportation. We have enclosed the proper application forms necessary to register these signs. If the sign can meet current Class "A" requirements, then a Class "A" Permit will be issued. However, if it cannot, then a Grandfathered or Legal Non-conforming status can be assigned if the sign type or structure has not been altered since the inventory.

Please complete the enclosed application form and submit it to this office within ninety (90) days of receiving this letter.

If you have any questions or would like additional information, do not hesitate to give us a call at (405)521-3005.

Respectfully,

Barbara Hoppes
