Dear Sign Owner:

As a sign owner, you are probably aware that sign permits expire every two years. You are hereby notified that the Permit Number(s) listed below will expire at the end of this month. Permits are required to be kept current to ensure compliance.

According to the Oklahoma Administrative Code, failure to renew a sign permit shall result in cancellation of the permit. Any sign operating under a cancelled permit would be deemed illegal and therefore required to be removed by the sign owner.

Please be sure to enclose this renewal invoice with your payment, attention Comptroller Division, to ensure that your account is properly accredited. Once we have processed your renewal(s), the new permit(s) along with a receipt of payment will be mailed to you. If you do not intend to renew a permit, please explain why.

If you have any questions, please contact our Outdoor Advertising Control Branch at (405) 521-3005.

Respectfully,

*Kellie Perkins*
