*Re: Upgrade to Digital Display
Sign Reg. No.: 14327
SH-99, Creek County*

Dear Dr. Posey:

This letter is in response to your request to upgrade the above-referenced sign to LED capability. The use of LED technology is sanctioned under the Tri-Vision sign regulations. Although your structure will not be using rotating slats as are used with Tri-Vision signs there are still certain guidelines that coincide with these two types of technology. State and federal laws prohibit moving, flashing or intermittent lights being used on off-premise commercial advertisement, therefore the transformation from one display to the next, will need to occur with static displays, without any type of obvious animation such as fading or scrolling. Each individual display will need to remain in place no less than 8 seconds. You will also need to be cognizant of the brilliance of the lighting so that your sign does not pose a safety risk to the travelling public. Be sure to remain within these guidelines to ensure the compliance of your sign. The regulations pertaining to illumination can be found in the Oklahoma Administrative Code, Title 730:35-5-12 (c). (Excerpt enclosed for your review.)

We have made the necessary changes to reflect the upgrade and the type change to this existing permitted sign in our database and documented the file as well.

Thank you for taking the time to ensure that your sign is in compliance with Highway Beautification regulations.

Respectfully,

Barbara Hoppes

RE: Sign Registration No.: 14327
Sign File No. 80600-05
SH-99, Creek County

Dear Ms. Hoppes:

Please allow this letter to serve as a formal written request on behalf of Oilton Public Schools asking permission to upgrade the school signage to an LED/digital display. The district is asking permission for the upgrade located on the east side of SH-99, approximately 2.6 miles south of SH-51 in Creek County, Oklahoma.

Should you have any questions or need additional information regarding this request seeking permission for the LED/digital display for Oilton Public Schools, please feel free to contact me at 918-862-0389, ext. 501 or via email at mposey@oilton.k12.ok.us.

Respectfully,

Dr. Matt Posey, Superintendent
Oilton Public Schools

Potential Highway Project Conflict Review

Application No.: _____ or Registration No.: 14327

Control Section: 99 - 19 - 35 Inters. Hwy Info.: 2.6 Miles S. of SH-51

Review by Branch Manager or Supervisor

Date Parameters for 8 Year Plan Search: 2016-2028

Are there potential projects in the area? Yes No
