Sign File No.: 80809-08 / GPS: 35.965002, -95.886094
East Side of US-64, 1.4 North of SH-67
Sign File No.: 80809-09 / GPS: 35.961425, -95.886064
East side of US-64, 1.16 North of SH-67

Dear Mr. Whistler:

Last year US-64 in Tulsa County, where the above-referenced signs are located, was officially accepted by the Federal Highway Administration as part of the National Highway System (NHS.) As you are aware, all outdoor advertising signs adjacent or advertising to routes of highways that are part of the NHS, are required to be registered with the Department of Transportation. June 16th, an inventory of signs was taken along the subject route. Signs that were in existence were photographed and documented. A current photo of the sign structures have been enclosed for your review.

Currently, we are notifying the owners of these signs to register them with the Department of Transportation, and we have enclosed the proper application form necessary. Our office has determined that these signs cannot be registered as a Class "A" type sign due to being it being located within 500' of a park, therefore grandfathered status will be assigned.

If you are the owner of this sign, please complete an application form for each structure, and submit it to this office within ninety (90) days of receiving this letter. If you are not the owner of this sign, then please contact our office as soon as possible.

If you have any questions or would like additional information, please give us a call at (405)521-3005.

Respectfully,

Barbara Hoppes
Transportation Manager
Outdoor Advertising Control Branch
